

What's Next in Tech?

“The best way to predict the future is to create it”

-- Alan Kay

V7

- * Not shipping until June
- * New features for everyone: readers, transcribers, and administrators.
- * Still working on it -- comments welcome!
- * Which features (Kate's talk)
- * Names of things

V?

“To Infinity . . . and Beyond!”

- * Major features served fresh, rather than held “under heat lamps” 2-4 years.
- * Even more reliability
- * Feature-request response time
- * Lower annual payments instead of bigger lump payments every few years.

“Plus” Version

- * Continuing Education
- * Easy transcript recovery
- * Scheduling integration?
- * Auto-email of transcripts?
- * Session playback?

“But Wait, There’s More!”

- * Every Transcriber license will now include free Reader licenses (exact # TBD).
- * Simpler Reader install
- * Typeface designed for readability

Turbo II

- * Three new suffixes
 - * 3 letter abbrev for “probability”
- * Scads of speaker IDs
- * Cavalcades of comments
- * Fast abbreviations for proper names

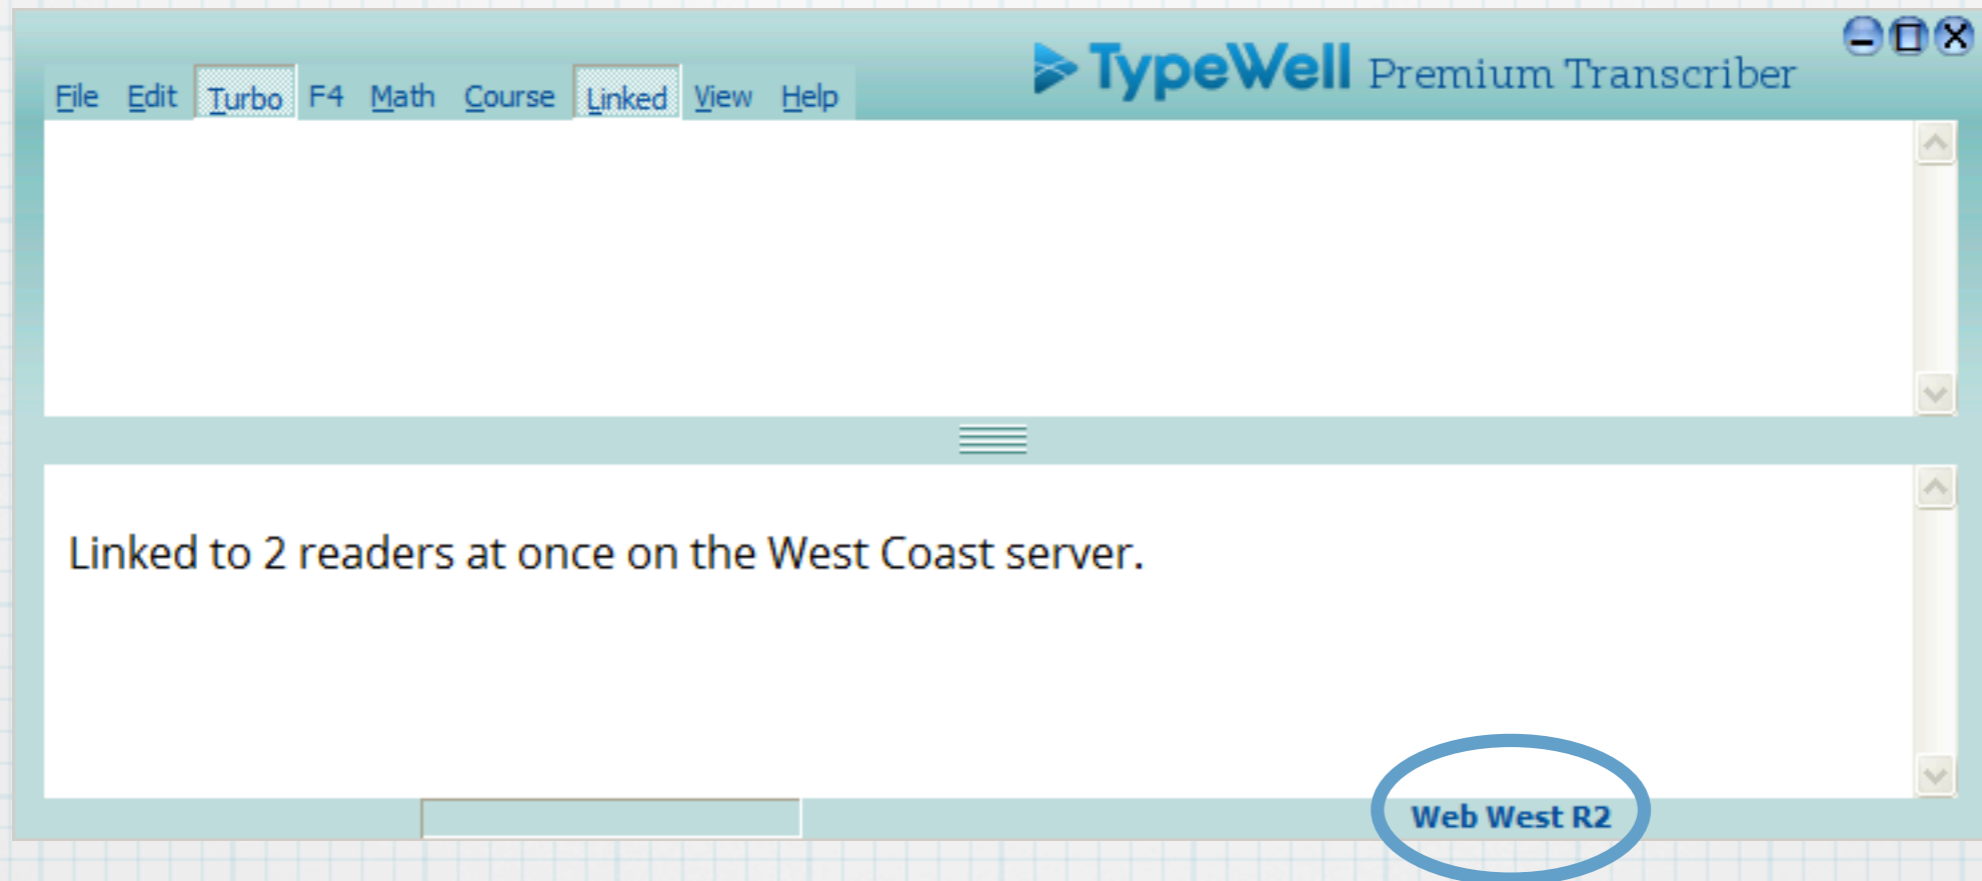

Linking

- * Web linking is easiest and best, . . .
- * . . . but it can always be better!

Web Linking

- * Improved reliability, both solo and teamed.
- * File/New clears channel for next class.
- * Faster start-up when joining (or refreshing) a session.

Web Linking

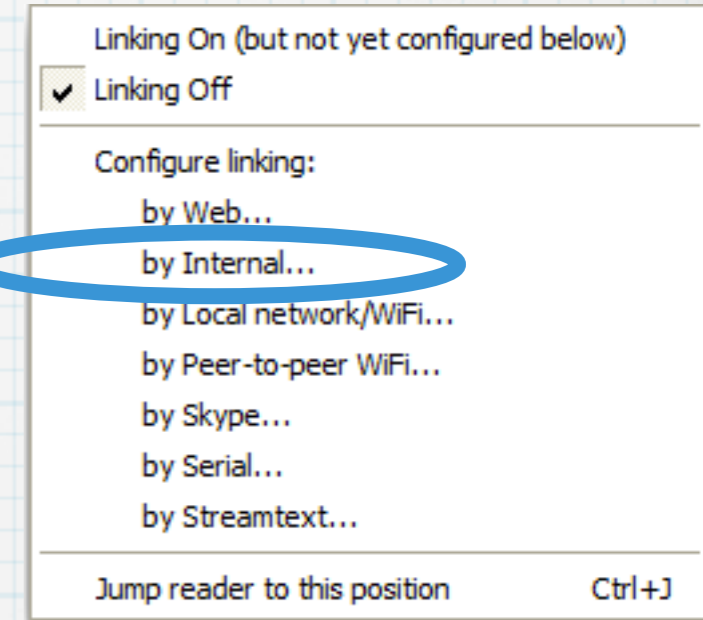

Web-link info now in the status bar

Linking

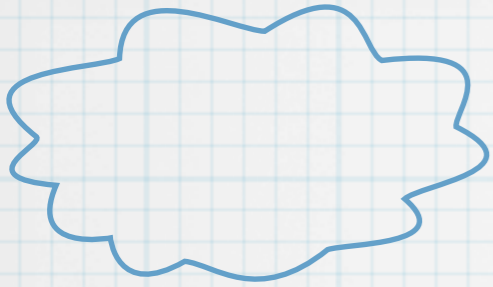

- * Web linking is easiest and best
- * except when you can't reach the Internet!

Internal Linking

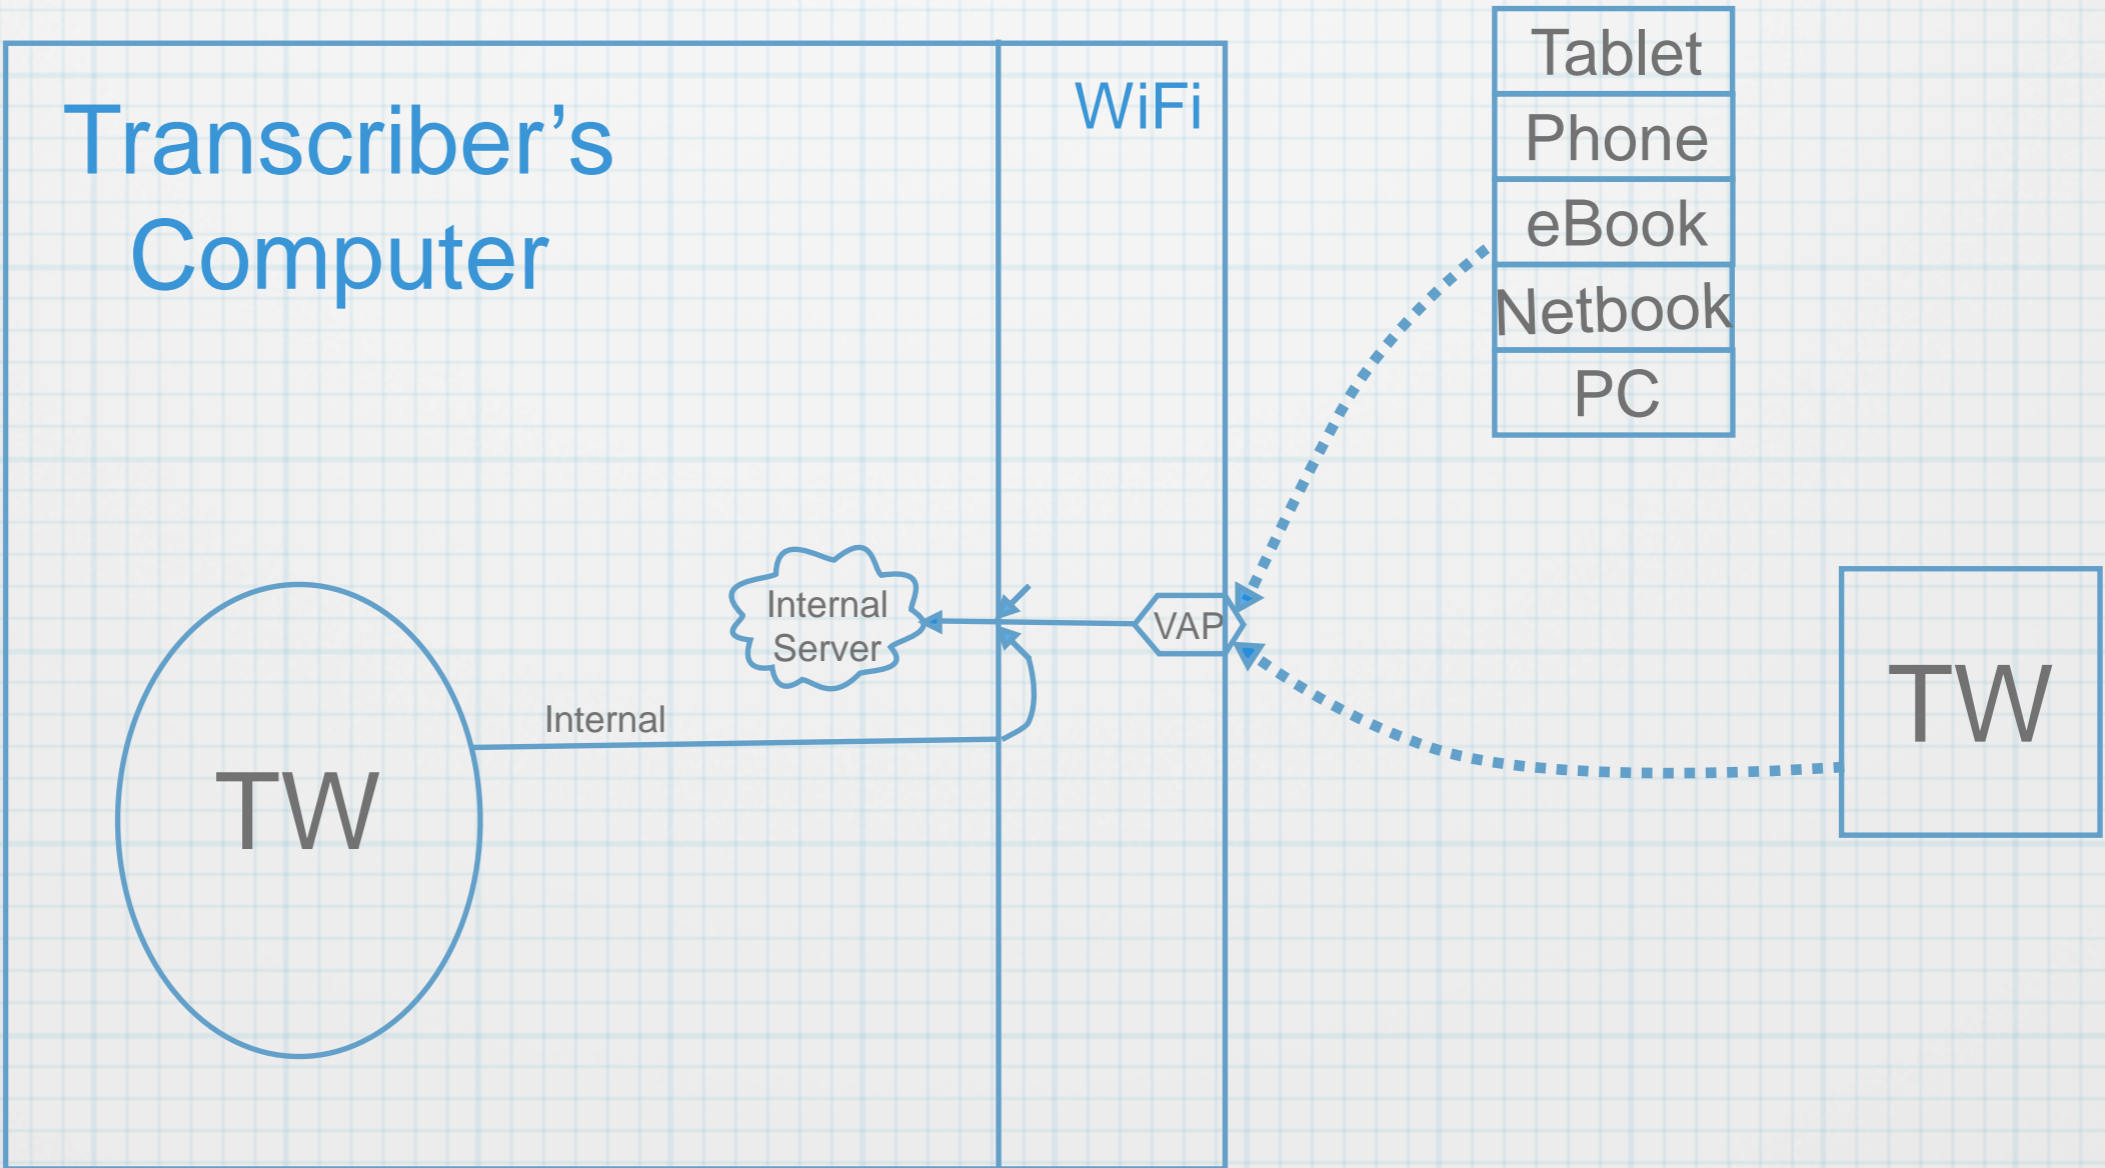

* Win 7/8 only

* Like Web linking; but no internet.
